silt : fine sand, clay, or other material carried by running water and deposited as a sediment, especially in a delta or tributary.

Years of natural water flow bestowed upon the Clarksburg AVA a wonderful gift—Silt. It is one of the staples of the Terroir and vital to our fertile, sustainable vineyards. Accompanied with warm summer days and brisk evening breezes, Silt starts with our vigorous work in the vineyard and finishes the best way possible—in your glass.

2022 Petite Sirah

Clarksburg, California
Marshall Ranch

14.5% alc/vol 750 ml
